

BPCL Launches 'Bharatgas Lite ZIP' – India's Premium LPG Experience with Instant Connection and Express Delivery

MUMBAI, July 20, 2026: Bharat Petroleum Corporation Limited (BPCL), a Fortune Global 500 company and a Maharatna PSU, today launched **Bharatgas Lite ZIP**, a premium Free Trade LPG (FTL) offering designed to redefine the customer experience through **Instant New Connection** and **Express Delivery**.

The product was launched by **Shri Sanjay Khanna, Chairman & Managing Director, BPCL**, in the presence of **Shri Subhankar Sen, Director (Marketing), BPCL**, 'Bharatgas Lite ZIP' represents BPCL's next generation of customer-centric LPG solutions, combining the proven advantages of the lightweight composite Bharatgas Lite cylinder with a digitally enabled premium service model focused on speed, convenience and superior customer experience.

Speaking on the occasion, **Shri Sanjay Khanna, Chairman & Managing Director, BPCL**, said, *"Bharatgas Lite Zip represents another milestone in BPCL's journey of customer-centric innovation. Designed for today's discerning consumers, the offering combines advanced composite cylinder technology with a premium service experience to deliver greater convenience whilst maintaining the highest standard of safety and reliability of Bharatgas."*

At BPCL, we are continuously transforming the way we serve our customers by creating solutions that simplify everyday life while embracing technology and operational excellence.

I would also like to acknowledge the invaluable contribution of our Bharatgas distributors and delivery personnel, whose dedication and commitment continue to strengthen the trust that millions of households' place in BPCL every day, especially in the testing times of recent past. Together, we will continue to deliver innovative, future-ready energy solutions that enhance customer experience and create lasting value."

Shri Subhankar Sen, Director (Marketing), BPCL, said, *"At BPCL, innovation has always been driven by one guiding principle: creating meaningful value for our customers. Bharatgas Lite Zip is a reflection of this commitment, offering a safer, lighter and smarter LPG solution backed by a seamless digital-first service experience. As consumer expectations continue to evolve, our focus is shifting from simply delivering products to providing end-to-end energy solutions that are convenient, transparent and reliable. Through initiatives such as 100% digital booking, OTP-based delivery authentication and our 'Zero Ka Dum' quality assurance programme, we are strengthening customer trust at every touchpoint. Bharatgas Lite Premium is another significant step in our journey to redefine the LPG experience by combining innovation, safety and superior service for households across India."*

A Premium LPG Experience

Bharatgas Lite ZIP has been developed for customers who value convenience, speed and modern service standards. The offering is built around two key value propositions:

- **Instant New Connection** – enabling customers to obtain a new LPG connection quickly through a simplified onboarding process.
- **Express Delivery** – ensuring faster delivery of LPG cylinders for an enhanced customer experience.

The offering also retains all the distinctive benefits of the Bharatgas Lite composite cylinder, including:

- Lightweight design for easy handling
- Corrosion-free composite body
- Visible LPG level through the transparent cylinder body
- Enhanced safety
- Modern aesthetics
- User convenience

Designed for Modern India

Bharatgas Lite ZIP has been specially designed for customers seeking a premium LPG experience, including working professionals, students, and the floating population, who value speed, convenience, reliability, and seamless service. With Bharatgas Lite ZIP, BPCL reinforces its commitment to innovation and customer-centricity by delivering a premium LPG experience that combines instant access, express delivery, and unmatched convenience.

Product Rollout

Today, **Bharatgas Lite ZIP** has been launched in the **Mumbai market**. The product will be introduced in **100 additional cities across 24 states by 15 August 2026**. Subsequently, Bharatgas Lite ZIP will be rolled out across all other major cities in the country, enabling a wider customer base to benefit from its premium features.

About Bharat Petroleum Corporation Ltd. (BPCL):

Fortune Global 500 Company, Bharat Petroleum is the second largest Indian Oil Marketing Company and one of the integrated energy companies in India, engaged in refining of crude oil and marketing of petroleum products, with presence in the upstream and downstream sectors of the oil and gas industry. The company attained the coveted Maharatna status, joining the club of companies having greater operational & financial autonomy.

Bharat Petroleum's Refineries at Mumbai, Kochi and Bina have a combined refining capacity of around 35.3 MMTPA. Its marketing infrastructure includes a network of installations, depots, fuel stations, aviation service stations and LPG distributors. Its distribution network comprises over 25,300+ Fuel Stations, over 1000+ CNG stations, over 6,250+ LPG distributorships, 440+ Lubes distributorships, 81 POL storage locations, 56 LPG Bottling Plants, 81 Aviation Service Stations, 5 Lube blending plants and 6 cross-country pipelines.

Bharat Petroleum is integrating its strategy, investments, environmental and social ambitions to move towards a sustainable planet. The company has Electric vehicle charging stations at 6800+ Fuel Stations. With a focus on sustainable solutions, the company is developing an ecosystem and a road-map to become a Net Zero Energy Company by 2040, in Scope 1 and Scope 2 emissions. Bharat Petroleum has been partnering communities by supporting several initiatives connected primarily in the areas of education, water conservation, skill development, health, community development, capacity building and employee volunteering. With 'Energising Lives' as its core purpose, Bharat Petroleum's vision is to be an admired global energy company leveraging talent, innovation & technology.
