

## BPCL Launches 'Bharatgas Lite', *Naye Bharat Ka Naya Cylinder* for Goan households

**Goa, January 28, 2026:** Bharat Petroleum Corporation Limited (BPCL), a Fortune Global 500 company and a Maharatna PSU, today announced the launch of Bharatgas Lite, a next-generation LPG cylinder made of advanced composite material, marking a significant step towards safer, lighter and more user-friendly cooking energy solutions for Goan households.

**Bharatgas Lite – *Naye Bharat Ka Naya Cylinder*** was formally inaugurated by the Hon'ble Minister of Petroleum and Natural Gas, Government of India, Shri Hardeep Singh Puri, in the presence of the Hon'ble Chief Minister of Goa, Dr. Pramod Sawant, Dr. Neeraj Mittal, Secretary, Ministry of Petroleum & Natural Gas (MoPNG) Shri Sanjay Khanna, Director (Refineries), with Additional Charge of Chairman & Managing Director, BPCL, Shri Subhankar Sen, Director (Marketing), BPCL, and other dignitaries. The launch underscores BPCL's continued focus on innovation, customer convenience and enhanced safety standards in the domestic LPG segment.

Designed to address everyday challenges, **Bharatgas Lite** is over **50 per cent lighter than the conventional mild steel (MS) cylinders**, making it significantly easier to handle, transport and install. Its **translucent body enables instant visibility of LPG levels**, helping customers plan refills better and avoid unexpected runouts. The **rust-free composite construction** ensures a clean and hygienic kitchen environment while eliminating corrosion-related issues associated with steel cylinders. The cylinder's explosion-resistant design adds a critical layer of safety by minimizing risks under extreme conditions.

Speaking on the launch, **Shri T. V. Pandiyan, Business Head – LPG, BPCL**, said, "*Bharatgas Lite reflects BPCL's commitment to reimagining everyday energy solutions through innovation and customer-centric design. By combining advanced composite materials with enhanced safety features, reduced weight and greater convenience, we are delivering a smarter and safer LPG experience aligned with the aspirations of a modern and progressive India.*"

Bharatgas Lite enhances safety by reducing the risk of leakage and external damage, while offering improved handling, reliability and a modern, aesthetically pleasing design suitable for contemporary kitchens.

The launch of Bharatgas Lite at **India Energy Week**, a global energy platform, highlights BPCL's emphasis on showcasing practical, consumer-focused innovations. The forum continues to serve as an important platform for presenting solutions that enhance customer experience while contributing to the evolution of India's energy ecosystem.

## Availability and Customer Options

The **Bharatgas Lite LPG cylinder** is available for:

- **New Bharatgas domestic non-subsidised LPG connections**, following the same enrolment process as traditional MS cylinders
- **Existing Bharatgas non-subsidised LPG customers**, through an exchange of mild steel cylinders

## Bharatgas Lite Cylinder Swapping Scheme

BPCL is the **only Oil Marketing Company (OMC)** to introduce a **cylinder swapping scheme** for existing non-subsidised Bharatgas customers. Under this initiative, customers can exchange their existing mild steel cylinder for a **Bharatgas Lite cylinder** by submitting a request and paying an **incremental security deposit of ₹300 per cylinder**, enabling immediate replacement.

## New Connection – Bharatgas Lite

New domestic non-subsidised LPG customers can directly opt for **Bharatgas Lite** at the time of registration.

- **Security Deposit:** ₹2,500
- **Documentation and onboarding process:** Same as a regular LPG connection

With the launch of **Bharatgas Lite**, BPCL continues to strengthen its leadership in the LPG sector by delivering solutions that combine **safety, convenience, sustainability and modern design**, aligned with the evolving needs of Indian consumers.
