

## BPCL Signs 23 MoUs at India Energy Week, Signals Next Phase of Growth

**Goa, January 30, 2026:** Bharat Petroleum Corporation Limited (BPCL), a Fortune Global 500 company and a Maharatna PSU, has signed 23 MoUs at India Energy Week 2026, marking a decisive step in scaling its business, accelerating diversification and advancing future-ready energy solutions.

The partnerships span BPCL's core energy businesses, global trading operations and next-generation mobility initiatives, reinforcing the company's expanding presence across the energy value chain.

These collaborations are expected to support value creation, strengthen supply chains and accelerate innovation, aligned with India's evolving energy requirements and long-term sustainability goals.

Commenting on the development, **Sanjay Khanna, Director (Refineries) with Additional Charge of CMD BPCL**, said, *"The MoUs signed at India Energy Week reflect the strong confidence that leading global and Indian partners place in BPCL's strategy and execution capabilities. These partnerships will help us scale our businesses, deepen collaboration across the energy ecosystem and create long-term value for the nation and our stakeholders."*

India Energy Week provided BPCL a key platform to engage with stakeholders across geographies and sectors, highlighting its role as a central player in India's journey towards a secure, efficient and more sustainable energy future.

The scope and significance of the agreements signed during India Energy Week reinforce BPCL's position as a preferred partner for strategic collaboration and long-term growth.

### MoUs Signed by BPCL during India Energy Week

1. **GMR Hyderabad International Airport Limited:** Development of a 56-km aviation turbine fuel pipeline connecting Malkapur Installation with Hyderabad Airport.
2. **Alpla India Pvt Ltd:** Strengthening safety, innovation and efficiency across the Bharatgas LPG ecosystem.
3. **Trafigura:** Long-term crude supply arrangement covering Iraqi and Omani grades to enhance sourcing diversification.
