

BHARAT PETROLEUM CORPORATION LIMITED (A Govt. of India Enterprise)

Gas Business Unit

Application for Empanelment as LNG Supplier

Bharat Petroleum Corporation Limited (BPCL) invites application from experienced, credible, resourceful, sound and competent parties engaged in the business of Natural Gas.

BPCL is desirous of purchasing LNG cargoes to be delivered at Re-gasification Terminals in India. Parties interested in selling LNG cargoes to BPCL, would be required to be empanelled and sign MSPA & Integrity Pact, as per the format agreed with BPCL.

The Eligibility criteria for applying for empanelment as LNG Supplier is as below –

1. Party shall have minimum annual turnover of USD 50 million during last standard accounting year and net worth of USD 25 million as per the last audited financial statement.

and

2. The party

i Is a Producer / Supplier of LNG from any of the existing liquefaction plants or its wholly owned subsidiary(ies)involved in natural gas or LNG business

or

ii is having valid Sale & Purchase Agreements(s) with an entity having an LNG liquefaction Project(s) without any delivery and destination restrictions

or

iii has traded at least 2 cargoes (of capacity more than or equal to 75000 cubic meter each as spot cargoes or long term / short term of LNG during last one year from the date of application to BPCL.

or

iv is having an agreement with any existing LNG producer to market LNG on their behalf in India

or

v is owning or operating Re-gasification Terminals in India

Note:

1. For the wholly owned subsidiary the technical and financial capabilities of the parent company would be accepted for meeting the eligibility criteria.
2. The LNG supplier may be a JV or consortium of two or more partners. In case of a consortium, one of the partners has to be nominated as Lead Partner. In such cases any of the partners or jointly by all the partners meeting the criteria would be sufficient to qualify. The lead partner shall submit authorizations from other partners to act as Lead member. The MSPA would be signed with all partners wherein all the partners would be jointly and severally liable for execution and performance of the MSPA. The partners would be required to sign a MoU outlining the roles of partners and has to be submitted if qualified to sign a MSPA.
